OUT ON THE LIMB with George Vierhus

AN INTERESTING sidelight to the recent fuss we raised in this column about the time difference between Campbell and Vietnam and how we finally found out the right answer by calling the phone company, was the note we received from our old pal and former boss, Ralph H. Turner.

Turner, as some of you might recall, was our employer when he was publisher of the Temple City Times which he acquired after being with the United Press for 30 years.

We have always considered him as the epitome as a dyed-in-the wool newspaperman.

Although retired from the exigencies of the profession, he still continues to be our most severe critic. He is also probably the most avid reader of this column in captivity.

We have reported his succinct comments from time to time in the past in this column as he has sounded off in his self-appointed role (with our endorsement) as our chief critic.

You might recall that we found out that Vietnam on the clock is 16 hours AHEAD of Campbell and we duly reported this fact in this column.

-o-

WE THOUGHT you might enjoy (as we did) Turner's comment on our discovery and we quote in full:

"George:

"I'm still trying to figure out whether it is true and accurate to say that Vietnam is 16 hours ahead of Campbell. True, a Saturday is a day ahead of a Friday. But look at it this way:

"Friday comes before Saturday. When it is 2 p.m. in Campbell, it doesn't get to be that time in Vietnam until 6 o'clock the next morning. So, it would seem to me that Vietnam may be BEHIND Campbell, instead of ahead.

"To illustrate: You and I are having a race, from Campbell to Corona del Mar, I, being fleet of foot, arrive at the destination or finish line at 2 p.m. Friday. You do not break the tape until 6 o'clock the following morning.

"You are BEHIND me, aren't you?

"Think this over,
RHT"

-o-

DEAR RALPH:

We have thought it over and we have decided to reserve any comment about being ahead or behind.

You may recall how involved we used to become twice a year over what to do about those clocks with respect to daylight saving time.

For years we couldn't remember whether to set the clocks ahead or back in the fall or the spring.

Then some character came up with that clock-saving phrase:

"SPRING FORWARD.. FALL BACK".

Thus, as long as we can be fairly sure (this year is an exception) as to what season of the year we are in, we are pretty certain to give the right advice on what to do about daylight saving clockwise.

So come Sunday, April 30, "spring for-

Rains delay tree planting program

Failure of the elements to cooperate and with heavy late spring rains making a quagmire out of the Los Gatos Creek banks, forced a postponement of the second annual communitywide tree-planting project until Saturday, May 6.

The program was scheduled for last Saturday, April 22. But when the rain clouds persisted in spilling more of their contents onto the already water-soaked terrain, the event was cancelled

The decision to postpone the event was made on Friday by Ed Rogers, chairman of the Citizens Committee for City Beautification, after he and Bob Stephens, city manager, Jim Duffield, C. of C. manager, and other city and committe officials, explored the creek area.

They found that because of the soggy condition of the banks, it would be impossible to get any equipment into the area or to dig the holes necessary for the planting of the trees, even if no more rain fell. For the record it rained also on Saturday

Committee members, as have been all other citizens, had been wishing and wistfully hoping for several weeks, that the unseasonable rains would cease. But hope alone was not enough.

The free trash pickup curb service however,

Jaycees to install flags

FLAG RAISING--Campbell Jaycees during the month of May will launch a local flag-raising project that has as its goal the placement of an American flag in front of every place of business in town and which will be flown on 10 holidays throughout the year.

Each flag (3x5-feet) is on a 9 ft. wooden pole which will be inserted in a metal sleeve near the curb line in front of each business house. The flags will be stored, maintained and raised by Jaycee members on each of the 10 holidays. The merchant will be charged $15 for the first year and $10 each year thereafter for the service. Additional flags will cost $10 the first year and $5 each succeeding year.

The first to take advantage of the service was the Campbell Chamber of Commerce office at 100 W. Rincon. Pictured getting the first flag in place are left to right, Mayor Ed Rogers, Jim Duffield, C. of C. manager and Bob Dalzell, Jaycee president.

At C. of C: luncheon tomorrow

SJ councilwoman draws big crowd

"Campbell and San Jose, a tale of two cities" will be the intriguing subject of the talk that Mrs. Virginia Shaffer, recently reelected councilwoman of San Jose, will give at the Campbell Chamber of Commerce luncheon tomorrow (Thursday).

The luncheon will be held at Fedor's, 1700 W. Campbell.

Mrs. Shaffer, longtime friend of Campbell, staged a startling sweep in the recent San Jose city election. With seven candidates in the race for her position, including an incumbent councilman, she received 57% of the vote cast, thus eliminating the need for a run-off election for her office.

Councilwoman Shaffer has long upheld the rights of the smaller cities in their relations with San Jose. She has also been considered the citizen's watchdog on the San Jose City Council.

The San Jose councilwoman, whose recent victory has exploded her into the political spotlight for the entire area, will be introduced by Councilman Bill Smeed, vice-mayor of Campbell. The other Campbell councilmen will also be at the luncheon meeting.

George Vierhus, C. of C. president, will preside at the meeting and Father John Lally, pastor of St. Lucy's, will give the invocation.

Reservations made for the luncheon indicate that a full house of 85-90 will be in attendance.

Lot purchase to hike street cost

Winchester Blvd., from Sanford to Camden, will be widened and improved to its ultimate by early fall as a result of the City Council's action Monday night authorizing the calling for bids for the $100,000-plus street project.

But other street projects on the city's drawing board may have to be curtailed, the council was warned by Bill Wren, public works director, because of another council action earlier in the evening affecting the overall cost.

The actual construction cost for the project is expected to cost slightly more than $100,000, the engineers have estimated.

But by a 3-2 vote, the council Monday night also authorized the purchase of the controversial Ken Norton property at Alice Ave. and Winchester, which will add considerably to the city's eventual financial outlay for the overall job.

"Swing" at bars but not with cue sticks

Campbell's City Council would prefer that any "swinging" in the local bars should be confined to what the term seems to imply today.

And NOT with cue sticks.

Cue sticks have not lost their effectiveness as lethal weapons, especially if a stimulant has been added. Even if the environment of the old-fashioned pool room may have changed.

That's what Councilman Charlie Rose warned his fellow councilmen Monday night.

Rose suggested that conditions where cue sticks would be used for purposes for which they were not intended would be more apt to take place in bars than in billiard centers where no liquor was served.

A majority of the council apparently agreed with Rose's philosophy.

By a 3-2 vote the council approved the recommendation of Police Chief John Morgan that only one pool table be allowed to each bar and the current annual fee be raised from $1 to $50 per table.

Coin-operated pool tables recently seem to have become almost as popular in cocktail and beer lounges, as shuffle board games and other similar indoor sports.

The present city policy is that when an es-

Working together

As a close observer of the local scene for more than a decade, we have found that one of the weaknesses in the past in the various efforts that have been attempted to improve conditions in this community by any planning and development programs, has been the lack of coordinated action among the various civic groups of unofficial, official and quasi-official status.

Because of this lack of coordination, many worthwhile programs, all geared to making this a better community in which to live and work, have been ineffectual because their advocates have persisted in riding off in different directions.

It is the contention of this newspaper, dedicated solely to the betterment of the community which it has served for so many years, that until all civic groups begin working together toward a common objective, nothing will result except a tremendous spinning of wheels.

The Campbell Chamber of Commerce has recognized the need for a united front and is working closely with the city administration and other civic bodies.

The newly-formed Citizens Advisory Committee, composed of 60 dedicated and interested citizens, now in the process of studying this city's proposed capital improvement program, is an outstanding example of a coordinated effort for community betterment.

These citizens unselfishly are devoting hours of their time to a study of the capital improvement program. After their studies are completed, they will make a recommendation to the City Council as to their findings.

This involvement by the citizens, who after all are the ones who must pick up the tab that will put any program into effect, in our opinion, is the greatest single step that has ever been taken in this community in the coordination of efforts of all concerned toward a common goal.

This group of citizens has only one objective i.e., to come up with a package for improving this city that will be realistic as far as the tax pocket-book is concerned, but, at the same time, will start this city on the road to the development of its long dormant potential.

If the common goal is established for all concerned in this city, there should be no conflicts among any of the official, quasi-official or unofficial civic groups.

But we have noticed a number of minor storm warning flags that have been hoisted in some official city quarters that indicate to us that perhaps the importance of us all working together, citizens as well as official groups, has not been completely understood.

In the Planning Commission, for example, there seems to be some confusion as to the function of the citizens advisory committee relative to both the commission's activities and that of the so-called "701 program" which is the process of developing a master plan subsidized by a federal grant.

While we agree that, if the "701" program was completed, it might possibly assist the citizens group in its study, it must be emphasized that the Citizens Advisory Committee is studying the city's capital improvement program that has already been developed by the city. It will be more than a year before the '701' job is done and time is the essence in getting this city's capital improvement program underway.

There is no conflict in this respect.

And the citizens committee is not supplanting any of the functions of the Planning Commission in any other area either.

We suggest also that members of the Planning Commission should always remember that they represent the city in an official capacity. By their actions and words they sometimes, unintentionally, weaken the efforts of all concerned to move ahead toward a common objective.

We are not suggesting by this that the Planning Commission be nothing but a rubber stamp.

We believe sincerely and strongly that the commissioners should have strong convictions as far as good planning practices are concerned and should do everything in their power to put them into effect.

We have defended this concept hundreds of times in the past.

But we submit that after an issue is decided or is an accomplished fact and a foregone conclusion, there is nothing to be gained for the city as a whole by the Planning Commission to wave a red flag of defiance at the City Council.

We refer to the recent action of the Planning Commission which refused to follow the recommendation of the City Council over the relatively minor issue of whether a line on a zoning map should be curved or straight.

The "line", of course, took on an exaggerated significance because the Winchester Drive-in Theater was involved, an issue that created a great amount of acrimony during the city-theater long-standing feud.

But a settlement had been reached.

It seems to us that a far better approach would have been to have agreed with the council's position in the interest of establishing a united front for the city as a whole.

The commission's attitude had already been well established.

This newspaper, as did the city, officially and in every other way, vigorously opposed the drive-in theater from the start.

But when it became an accomplished fact, it was our position that nothing would be gained by back-biting.

As we said in the beginning, we have observed that one of the weaknesses in the past has been various civic bodies riding off in different directions.

We are hoping that it will be possible for us to now get on the same track and wave length. There is much to be done-----together.

BUILDING UP the industrial climate of any community is an important phase of Chamber of Commerce activity.

In Campbell, Lowell Grattan, an individual who has been Campbell-conscious ever since he was a youngster in this community, heads the C. of C. industrial committee.

Lowell, along with Fred Chez, is also involved in the development of area along Hamilton Ave. and is a firm believer in Campbell's future.

Incidentally, for the record, Lowell is also known as Lt. Cmdr. Lowell Grattan (USN-Res.) and recently was commander of a Navy crew and plane that was on special flight duty in Hawaii.

He is also a member of the citizen's committee of 60 that is studying this city's capital improvement program.

His C.of C. industrial committee has a big job to do, but we have a word of caution for Lowell and his group; don't get out of focus as some such industrial committees apparently are prone to do.
do.

Just recently, for example, The Campbell Press received a brochure advertising the central industrial district of the City of Garden Grove (Orange County).

According to the brochure, there are industrial sites ranging from one to 30-acres for sale (or will build to suit) in the West Garden Grove Industrial Site. A map was enclosed which showed the exact relation of the freeways and stuff like that to the available sites.

It was nice to know about what Garden Grove is doing in the industrial field.

But, somehow, we failed to figure out where The Press came into their industrial picture. Or why we were on their mailing list in the first place.

It would be a trifle inconvenient to have our plant down in Garden Grove.

A commute of 400 miles even in this fast-moving age, is still a bit too much.

OUR GRAPEVINE informs us that a teacher on the faculty at Campbell High has indicated at various times that the Campbell community and its medium, The Campbell Press, are both sort of run-down-at-the-heels operations.

We are really not surprised at this attitude on the part of this particular teacher.

After all, he lives in Monte Sereno.

Apparently in that community, things are on a much more lofty plane.

We appreciate the adjustment he must make each day when he comes down to earth in Campbell.

But how many tables can a bar have?

Councilman Bill Smeed argued that if three tables make a billiard parlor then bars should be allowed two, provided there was room. He added also that the report of the police chief was incomplete because more cities had not been contacted to see how they were facing up to the problem. Mayor Ed Rogers and Councilman Homer Hyde agreed with the police chief and Rose.

But on the vote to approve the police chief's recommendation, Councilman Ralph Doetsch joined with Smeed. Doetsch said he only opposed the deadline of Jan. 1, 1968 for establishments to remove any extra tables they may have now.

provement call for the widening of the road from Sanford to Camden by taking the necessary property off the east side for which, in most cases, the rights-of-way have already been acquired.

When the job is completed, it will allow for four moving traffic lanes and two parking lanes.

Norton's property is involved in the street program because his lot has a frontage of 140-feet on Winchester and extends 55-feet in depth. The widening plans, however, call for taking 20-feet off this depth, thus leaving him only 35-feet.

Norton has been turned down by the city in his request to use the abbreviated parcel (after the 20-foot dedication) for a used car lot. Residents of Alice Ave. led the opposition to such use.

The three councilmen (Homer Hyde, Charles Rose and Ralph Doetsch) who voted to purchase the Norton property, maintained that the lot after the 20-foot dedication was too small to develop properly and inasmuch as the city was responsible for the problem, it should be prepared to pick up the tab for the entire lot.

Mayor Ed Rogers and Councilman Bill Smeed, however, argued that perhaps some suitable use could be found for the property thus eliminating the necessity of the city purchasing it.

Rose further contended that the lot directly across the street on Alice had a similar problem. His first motion, which was seconded by Hyde, included the purchase of that property also.

City Attorney Joe Bonacina, however, ruled that the situations were not similar as the property owner had already agreed to dedication and Norton had not. Rose then modified his motion which was carried by a 3-2 vote.

In his report to the council, Bill Wren, public works director, suggested that perhaps it would be better from the city's financial point of view to allow Norton an "interim use" on the parcel than outright purchasing it. He cautioned the council that the extra expenditure which must come out of the city's gas tax reserves could conceivably affect other projects planned for the future financed by gas tax funds.

Commission gets building plans

Plans for three new commercial buildings and an expansion of a restaurant will be up for approval of the Planning Commission next Monday, May 1.

Campbell Water Co., 555 W. Campbell; Sisler Construction, 240 Harrison and B & M Roofing, 524 Forman, are asking for approval of building plans and La Fonda Restaurant, 2000 Bascom, wants to expand.

Also on the agenda is the request for approval of remodeling plans of the abandoned service station at Winchester and Rosemary. A use permit has already been granted the Golden Eagle Refining Company.

Pyramid Homes is asking for approval of a 12-lot subdivision.

Jeralee Drew is lovely April bride

MRS. MICHAEL WILLIAM DUVAL (Jeralee Lynne Drew)

Jeralee Lynne Drew and Michael William Duval exchanged marriage vows at the First Methodist Church of Campbell with Rev. William Gould officiating at the double ring ceremony.

The petite blond bride was attired in a gown of Chantilly lace, styled with long sleeves, sweetheart neckline with a high ruffled collar, and a full, bustle back skirt. She carried a cascade of white orchids and carnations on a satin covered prayerbook. Her fingertip length veil was secured with a crown of crystals and pearls.

Marilyn Drew served as her sister's maid of honor. Her lavender chiffon gown over taffeta was styled with an Empire waist and Dior rose trim. Her matching Dior rose headpiece was secured with a demi-veil.

Bridesmaids were Lynette Fellman, and Toni Thul of San Jose, Mrs. Don Mills and Cheryl Daves of Campbell, and Debbie Schuttie of San Jose. Their lavender gowns were similar to the maid of honor.

Little Kathleen Drew, sister of the bride, was the flower girl. She wore a floor length white frock trimmed with Dior roses on the full skirt. Her headpiece was a circlet of lavender roses and she carried a white basket, filled with lavender carnations.

Richard Drew, the bride's brother, served as the ring bearer.

Patrick Duval stood with his brother as the best man and ushering duties were performed by Edward Daves, Peter Swan and Richard Routt of Campbell and Roger Malcolm of San Jose.

Approximately 200 guests attended the reception held in the fellowship hall of the church. A beautiful four tiered wedding cake with lavender trim was served. Mary Anne Pevusina was in charge of the guest book.

For her wedding trip to Southern California, the bride chose a yellow linen dress with a moss green floral coat and matching accessories.

Jeralee is the daughter of Mr. and Mrs. Richard Drew of 780 Almarida Drive, Campbell. A graduate of Campbell High School and San Jose City College, she is employed by Pacific Telephone Co.

Michael is the son of William Duval of San Jose and Mrs. Carl Finkbeiner of San Jose. He also attended local schools and West Valley College, and is employed by West Valley Campus Police. The young couple will make their first home in San Jose.

IN "FUNNY GIRL"---- Local area residents appearing in the San Jose Light Opera production of "Funny Girl" the musical comedy version of the life story of Fanny Brice, opening at the Montgomery Theater in San Jose, 8:30 p.m. Saturday, April 29, left to right Cyl Rodriques, Geoff Pond, (seated) Jim Carleson and Kathy Boyd.

High school students exhibit art

Prints, drawings, paintings, collages in various media will be presented by the students of Campbell High School in their 3rd annual show at the Fellowship Gallery, First Methodist Church, of Los Gatos from April 30 through May 26. The public is invited to view this exciting exhibit and meet the artists at an informal reception Sunday, May 7 from 2 to 4 p.m. in the Gallery located at 125 Church Street, Los Gatos.

Freshman through senior art students displaying their work have as their teacher, Mr. John Quigley, who has been teaching art in the Campbell High School for the last seven years. He just recently completed his Masters degree in Design at San Jose State College. Through his challenging type of instruction, their outstanding work has been on exhibit in such places as the Los Gatos Art Association, Valley Fair Annual Art Show, with many students winning awards in the various media.

Life story of Fanny Brice to be dramatized by Light Opera Co.

The San Jose Light Opera Association production of the musical-comedy "Funny Girl" will open Saturday April 29 at 8:30 p.m. at the New Montgomery Theater in San Jose.

"Funny Girl" is the final offering of the current season for the San Jose Light Opera Company. The production presents Iris Benson of Los Altos in the starring role of Fanny Brice. Ruthe Rosenberg and Fred Fraboni, San Joseans, head the supporting cast. The legendary Florenz Ziegfeld is portrayed by Max Robbins of Monte Sereno.

"Funny Girl" is the Jule Styne-Bob Merrill musical comedy version of the life story of Fanny Brice, who came to dazzling prominence on New York's Broadway when the century was young.

The musical score of "Funny Girl" is directed by Richard Gordon and contains the bright and popular "People", "You Are Woman" and Don't Rain On My Parade".

The two previous offerings of the San Jose Light Opera Association this season were "Camelot" and "How to Succeed in Business Without Really Trying".

Reservations for the musical may be obtained from Sherman and Clay, 50 N. Winchester Blvd., 296-7866. The production will be presented April 29, May 5-6-12 and 13.

Phone company makes rate hike plea before PUC

Pacific Telephone maintains the "cardinal issue" of its application for a rate increase is the kind of communications system which the California Public Utilities Commission wants Pacific Telephone to furnish the people of California.

Pacific attorney George Eckhardt last week told the Commission, "with extremely restricted earnings, Pacific can neither generate capital internally nor attract it in the public market at reasonable costs in anywhere near the amounts needed."

The attorney in his opening statement, described Pacific's present local rates as "dollars below the rates charged elsewhere for comparable services". He said that those who believe that these rates represent the consumer interest are shortsighted.

The Company said its financial problems stem from heavy demands for service in California, which have required the hiring and training of an unprecedented number of people and the spending of billions of capital dollars in the face of a substantial rate reduction with a resulting sharp decline in earnings.

Eckhardt told the Commission that the earnings Pacific is asking for will only put the company at the average of the large telephone companies in the United States and still leave California rates among the lowest in the country.

These rates, Eckhardt said, "cannot be anything other than fair and reasonable to the public as well as to Pacific".

APPOINTED..Richard F. Szumski, 4556 Mossbrook Circle, has been named curator of the new gallery for photographic art at the Triton Museum of Art in San Jose. Szumski is presently head of photographic production service in the Audio-Visual Dept. at San Jose State College.

The museum's plans are for a permanent gallery for photography with additional areas to accommodate large shows.

1 YEAR AGO

A pretty 19 year old brunette from San Jose, Miss Shari Dahl, has been declared the winner of the Miss Campbell Contest. The new Miss Campbell was presented with a bouquet of roses by Master of Ceremonies Fred LaCoss and Miss Glynis Wright, Miss Campbell for 1965, placed the crown on her head. Shari also won the talent award for her vocal solo.

Thwarted by the County Planning Commission which approved a drive-in theater for the Andrew Scorsur property off Union Ave., adjacent to Highway 17 and McGlincey, the City of Campbell will appeal the ruling to the ruling to the supervisors.

Joe Bonacina this week gave City Clerk Dorothy Trevethan the oath of office at the organization meeting of the City Council. Mrs. Trevethan was appointed city clerk in 1953 and has been reelected to office in four subsequent elections without opposition.

5 YEARS AGO

On the basis of written and oral examinations conducted by Chief of Police John Morgan, it was announced late Tuesday night that Dean Godbehere would be recommended for the position of Sergeant of the Campbell police force, to take effect May 1.

Campbell voters turned out in amazing strength Tuesday night to pass the Campbell Union Elementary School tax of 75 cents with a majority vote of 3670 yes to 3218 no, passing the tax increase with a margin of 452.

10 YEARS AGO

Residents between Los Gatos and Saratoga on Tuesday voted to incorporate the new city of Monte Sereno (Peaceful Mountain), the 16th city in the county. The vote was 339 "yes" and 256 "no".

Four queen candidates for Old Settlers Day were already in their corners impatiently awaiting final instructions this week as the 1957 queen contest waited the starting gun. There was a possibility also that two more candidates will be entered before the lady-like battle for the queenly honors "officially" begins.

Councilman Myron L. Fairchild was the City of Campbell's official observer Tuesday night at the informational meeting conducted by the Division of Highways on the proposed alternate routes for the Junipera Serra freeway, the biggest highway development in Northern California history.

15 YEARS AGO

Harold F. Adams, popular Campbell mail carrier, will retire at the end of this month after 31 years in the Government mail service.

Campbell's City Council adopted the first city ordinance, appointed standing committees, and will start the month of May as a solvent legislative body, it was learned at the weekly meeting Monday at the Country Woman's Clubhouse.

Property taxes in Santa Clara County have gone up 259 per cent in the past 10 years, California Taxpayer's Association said today.

TEAM MOTHERS

All team mothers of the Campbell Little League are to meet Wednesday, April 26, at 8 p.m. at the home of Mrs. Richard Brostrom, 863 Almarida Drive. Preparations are underway for an exciting opening day, April 29.

ON CAPITOL HILL

with "Charlie" Gubser

California's water problems took two major steps forward last week in Congress.

Senator Kuchel's companion bill to my own to authorize the Pacheco Tunnel project was favorably considered by a State Interior Subcommittee. On the day following a gigantic step forward was taken by the House which will lead to the desalting of great quantities of sea water to serve California's coastal cities.

Some years ago under the late Clair Engle, formerly a Member of the House and a U.S. Senator, the Office of Saline Water (OSW) was organized. It started a program of experimentation which called for a small installation in San Diego to be followed by progressively larger plants which would eventually produce 150 million gallons of potable water per day from sea water.

The experimentation was such a marked success that the larger follow-on studies were unnecessary and the bill which passed the House last week will take us immediately to the large desalinating facility of 150 million millions daily capacity.

Under the legislation the Metropolitan Water District of Los Angeles, the Los Angeles Department of Water and Power, San Diego Gas and Electric, the California Edison Company, the U.S. Department of Interior, and the Atomic Energy Commission have joined forces to construct a forty acre man-made island offshore from Bolsa Chica State Beach in Orange County.

Several nuclear reactors will produce power for sale by private companies. The steam generated from nuclear power will turn a turbine generator unit to generate electricity. Then, instead of being wasted into the air, the steam will be fed into an evaporation system which will eventually produce 150 million gallons daily of good drinking water. Thus, the energy which produces power will serve a dual purpose and produce desalinated water which will be sold by the Metropolitan Water District at a price of $71 per acre foot. Even with another $17 per acre foot added for distribution costs this water is considered to be competitive for future municipal purposes.

The bulk of the expenditure will be from private funds. The $57.2 million of taxpayer's money will be justified is a future experimental ground for the development of desalination processes. An all federal system without the nuclear power plants would be prohibitive in cost but with a water crisis approaching all the coastal areas in the nation, the federal government has the obligation to conduct research to find an answer to the problem.

The lessons to be learned in this great project will undoubtedly be the salvation of the most populated areas of the nation whose future is bleak considering their declining water supplies.

Here was a fortunate combination of requirements and needs, and an ideal place for private enterprise and the federal government to cooperate for mutual advantage.

In my fifteen years as a Member of Congress, this is one of the most enlightened progressive steps forward I have ever been privileged to support.

SOCIAL SECURITY

Questions and Answers

Q. - My father is getting social security benefits. I enlisted in the armed forces at 17 and was discharged after serving two years. I plan on finishing high school. Can I draw benefits on my father's social security?

A. - Yes. If you are a full-time student under 22 and unmarried, you may draw social security benefits.

Q. - Why has the contribution rate of social security taxes been scheduled to increase periodically?

A. - The number of older people in this country is increasing. Therefore, year-by-year costs are expected to grow for many years. Income from the gradually increasing schedule of taxes in the law will meet this expected future rise in costs without disrupting the nation's economy by imposing the whole tax needed to support the program all at once.

Q. - I understood that under the new Social Security Law payments can be made to children until they are age 22. Is this true?

A. - Yes. Benefits can now be paid to a child until he is 22, provided he is a full-time student and does not marry.

Q. - I was 18 last year when my father died. I'vs never received social security benefits. What do I have to do to get benefits under the New Social Security Law? I'm a student at the State College.

A. - You must apply for benefits at your nearest Social Security Office. At the time you apply, you must furnish evidence of your age and show you are a full-time student.

Campbell - Moreland open 1967 Little League season

Both leagues slate opening ceremonies this week-end

Campbell Little League will open its 1967 season, Saturday, April 29. Opening ceremonies and the first game will start at 10 a.m. at the Little League Field on Hamilton Avenue at the west end of Rosemary School.

Campbell Little League was organized 14 years ago with four teams. Today there are 24 teams involving 430 boys from ages 8 to 12.

The public is invited to attend all games. Saturday games will start at 11 a.m., 1 p.m. 3 p.m. and 5 p.m. Sunday games start at 1 p.m., 3 p.m. and 5 p.m. Weekday games start at 6 p.m.

Campbell Little League officers are Hank Mestice, president; Louie Ferrari, vice president; Matt Brazil, recording secretary, Chuck Prater, secretary and Al Davis, treasurer.

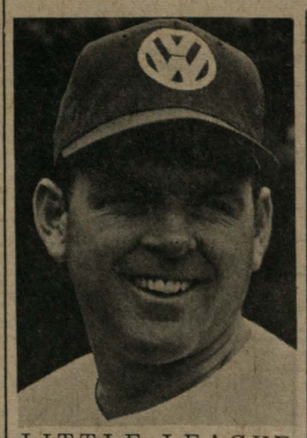
MORELAND

Moreland Little League will hold opening day ceremonies on Sunday, April 30, at 12 noon at the Payne School diamond. The public is invited to attend.

A large group of sport and civic leaders will assist President Bud Christensen with the ceremonies. Among those expected to attend are former Major Leaguers "Hobie" Landrith, (Giant catcher) and Pete Mesa (Senator pitcher); Bob Fatjo, Santa Clara "Hall of Fame" member; Larry Glissman, general manager of the San Jose Bees; Joe Kuczler, Little League District 44 administrator, and the principals of the schools on whose diamonds the league plays, Miss Louise Johnston, Moreland; Richard Groshong, Payne; and Bud Milani, chief of maintenance for the Moreland School District.

Other guests will be Bob Miailovich, Moreland Little League World Series 1962 Champion's manager and Hank Mestice, president of Campbell Little League.

A new Moreland Little League Electric scoreboard, donated by Spartan Volkswagon of San Jose, will be dedicated.



LITTLE LEAGUE GUEST---"Hobie" Landrith, former catcher for the San Francisco Giants, will be a guest at the Moreland Little League opening day ceremonies on Sunday, April 30, at Payne School diamond at 12 noon.

GET READY FOR BIG DAY---Bill McLain (left) manager of Valley Athletics, a Campbell Little League team, gives instruction to his catcher, Ron Colburn. Jack Zogg, manager of the Robins, checks batting stance of batter Gregg Hall. Campbell Little League opens its 1967 season on Saturday, April 29, at 10 a.m. at the Little League Field at the west end of Rosemary School on Hamilton Avenue.

Friday night is the big night for the junior class here at Westmont as it is time once again for the Junior Prom.

Camelot has been chosen as the theme for the prom, and amidst a medieval setting the "Coming Generation" will provide the music for the evening.

Bids for the prom are $2.50 for juniors while seniors are the junior's guests. The prom will last from nine to twelve p.m.

Wednesday, April 26 is Parent Visitation Night, where parents will be able to follow their prodigy's classes and see what they are learning.

Highlights of the evening will include a physics class doing an experiment, a choral group singing Bach with a beat, and the stage band performing several numbers. A short PTA business meeting will follow, accompanied with refreshments.

"Classes" will start at 7:45 and will last until 8:50 p.m.

Seniors who will be entering the University of California next fall will be taking the Subject "A" examination this Saturday, April 29. This exam is used in helping to place the entering student in the proper English classes.

Since the weatherman has decided to jinx the interscholastic sporting events, the games scheduled for this week are indefinite. Baseball tennis and track have all been rained out. Swimming has been unaffected by the rain, and their league finals are slated for Saturday morning.

In case the weatherman does not continue his jinx, Tuesday's baseball and tennis action was against Saratoga. Thursday the same teams will pit their skills against Del Mar. Track will take on Campbell Friday, all with weather permitting.

Campbell Crier

by DAVE TURNER

The current week is being celebrated all over the nation as Public Schools Week, and in accordance with this theme, several events have been set up at Campbell with the purpose of showing the school to the public.

All day Wednesday, members of the Student Council acted as administrators, getting an idea of how the school is really run. The program continued with the annual PTA-Public Schools Fair from 7 to 9 p.m. on Wednesday, April 26.

P.T.A.-Public Schools Fair from 7 to 9 p.m.

Classroom demonstrations will be featured in the Arts & Crafts, Industrial Arts, and Science departments. Also the Home Economics dedepartment will put on a fashion show in the cafeteria to display their achievements.

The eventful week will come to a climatic end Friday night when the Campbell High Symphonic Band presents its Spring Concert in the auditorium at 8 p.m. Featured will be guest conductor Dr. Herb Patnoe of Foothill Junior College.

Approximately 200 Campbell scholars will board school buses early next Wednesday, May 3, and head for San Francisco for the annual C.S.F.-Honor Society trip to the city by the bay. During the morning, students have their choice of visiting the De Young Museum, Fleishhacker Zoo, or the Palace of the Legion of Honor.

Continuing their day of adventure, students will see either the Man For All Season, Hawaii, or The Sand Pebbles during the afternoon. After dinner and some roaming around the city, students will return to the school tired, happy, and, hopefully, culturally elevated.

An eight inning, 1-0 varsity baseball victory over Blackford and the tennis team's second straight 6-1 decision, also over the Braves, highlighted last week's sports action at Campbell. The Soph-Frosh nine dropped a close one to Blackford and the two previously mentioned teams were rained out of action against Westmont in the sour grapes column.

The Buc spikers pondered the ceiling mournfully and still only dreamed of opening the league season.

Undoubtedly, the swim finals will go on as scheduled at Saratoga this Friday, but unless Noah installs an indoor sports arena on his ark, the following events are questionable; Varsity baseball and tennis at Leigh and Soph-Frosh baseball at home with the Longhorns, all on Thursday; with the possibility of a track meet every day to catch up with the schedule, the official slate has Buc spikers at home Friday against Westmont. Next Tuesday, May 2, should find varsity baseball and tennis at Camden.

All events are scheduled to begin at 3:30 p.m.

New Connie Mack league

Sign-ups are now being held daily in Santa Clara for the Connie Mack Loop Leagues, a baseball program for Colt and Babe Ruth graduates. All boys between 16 and 18 years of age who want to play baseball are welcome to participate.

Boys from Campbell and Moreland District are invited. For further information call James Andrews, 243-4679.

IN VIETNAM

Army Specialist Four Ronald G. Ferguson, 19, son of Mr. and Mrs. Robert L. Ferguson, 839 Ricky Drive, Campbell, is participating in "Operation Junction City," the largest military operation to date in Vietnam.

HOME ON LEAVE.... Pvt. Peter Schutz, 18, son of Mr. and Mrs. Manfred Schutz of 2081 Orestes Way, has completed Marine Boot Camp and is home on leave until May 5. He has been assigned to Radio Communication School at Camp Pendleton.

Schutz is a 1966 graduate of Campbell High. His brother, PFC Frederick Schutz, USMC, is a jet mechanic stationed in Chu Lai, Vietnam.

Council upsets planners' act

On Monday night the City Council moved into the final lap in the long-drawn out Winchester Drive-in Theater hassle, by overruling a Planning Commission action affecting the line on the zoning map of the theater property.

With Councilman Homer Hyde dissenting, the council approved an arc for the line between the parcel on which the theater is located and the adjacent property also owned by the theater people.

The Planning Commission had held out for a straight line on which the screening trees would be planted.

At Monday's meeting, the council also approved the tentative 67-lot subdivision map for Edward Leep. The tract which borders on Saratoga has long been criticized by Saratoga residents across the creek. Two Saratoga residents were present Monday again to urge that the bank on the Campbell side be made attractive.

The council Monday moved also to put all the city employees under the state retirement plan. Employees under the new plan would make substantial contributions from their pay but their retirement compensation would be much more than under the present plan of no contributions. The cost to the city would be relatively the same.

The employees voted by a 70% majority to go under the new plan. The reserve now held by the city's private insurance carrier will be transferred to the state.

The council also approved the employment of Roger A. Grimsley, as a civic engineer, at $725 per month and Gerald F. Scott, as assistant planner at $746. Grimsley replaces Tom Prebil in the public works department and Scott fills the newly-created position in code enforcement approved by the council.

Approved also was the request for a sound truck at Campbell Plaza Shopping Center on May 8 which advertises "Lark" cigarettes on a television commercial.

Gubser slates academy exam for July 12

Congressman Charles S. Gubser (R-Calif.) has announced that the civil service examination to select his appointees to U.S. military academies will be held on July 11, 1967.

Gubser announced that based upon the examination, vacancies will be filled at the United States Military Academy at West Point, the Air Force Academy at Colorado Springs, and the Naval Academy at Annapolis. In addition he will nominate ten young men to compete for openings in the Merchant Marine Academy at Kings Point, New York.

To be eligible for appointment, a candidate must be at least 17 years of age on July 1, 1968, but must not have reached the age of twenty-two.

Congressman Gubser's appointments are restricted by law to young men who are bona fide residents of the Tenth Congressional District.

Applications are now being accepted and must be received by June 2, 1967. Young men interested in competing in the July examination can secure the proper application form by writing to:

CHARLES S. GUBSER,

W V College trustee resigns

Dr. Edwin C. Browne, carter member of the West Valley College Board of Trustees, has submitted his resignation effective April 30.

EDWIN . BROWNE
----RESIGS

Browne 7, was instrumental in the formation of the West Valley District on Jan. 8, 1963, and has served on its board as vice chairman and clerk. he was re-elected in April, 1965, to a four year term.

The move came as a surprise to his six fellow trustees. He explained his resignation as "47 years in the harness could well be all that is expected of one".

Browne, was known as the humorist on the Board, and always had a wise and witty answer for other board members. He took an active part in District affairs, and attended many affairs as a re many affairs as a representative of the Board.

PG&E promotes Vernon H. Lind

Vernon H. Lind of Saratoga will become manager of Pacific Gas and Electric Company's Shasta Division on July 1.

The appointment was announced today by Shermer L. Sibley, PG&E president.

Lind will succeed Lee W. Brillhart, who will retire after 37 years of PG&E service. Brillhart has been Shasta Division manager since December 1, 1962.

PG&E's Shasta Division includes Shasta and Tehama counties, most of Trinity County and a portion of Lassen and Siskiyou counties. Within its boundaries are Lassen Volcanic National Park, Shasta Lake Recreation Area and the 725,000 kilowatt hydroelectric systems of nine powerhouses on the McCloud and Pit rivers.

Lind has been sales manager of the company's San Jose Division since January 1, 1966.

Cub Scouts

CUB SCOUTS PACK 333

Cub Scout Pack 333 of Capri School held its monthly meeting on April 14 at the school cafeteria.

The meeting was opened with the flag ceremony being conducted by the Webelos Den.

Cubmaster Don Carter then called on the Cubs who were to receive awards to step forward with their parents. Cubs who received awards were: Gary Erickson and Wayne Poe, Wolf Awards: Kevin Surratt, Ken Cato and Lenny Cox, Bear Awards. At this time he also presented Arrow points to Joey Santos and to Kevin Surratt.

Cubmaster Carter then presented One Year Pins to Mrs. Artery and Mrs. Friar, Den Mothers.

Committee Chairman Bill Friar announced that the Pack would be going to Candelstick Park to watch the Giants play baseball on June 21.

Marshal Ron, formerly of Frontier Village, and his daughter visited the Pack. Marshal Ron told many interesting stories of the Old West. He also brought along many articles of western lore to show the Cubs. All of the boys and parents enjoyed the program very much.

PAPER DRIVE

Cub Scout Pack 309 is having their paper drive this weekend, April 28, 29 and 30. There will be two hoppers in front of Bennett Hall at the Congregational Church on West Campbell Ave. for collection.

Anyone wishing papers to be picked up. please call 378-7412 or 379-3947. Please do not include magazines.

Girl Scouts

NEIGHBORHOOD 15

The Junior Scouts of Troop 420, Capri School, are making plans for a party to get acquainted with Brownies who may be "flying up" to the Junior level of scouting this fall. The event is to be held May 3 in the Capri cafetorium and will include Brownies from troops 483 and 1034 of Capri School and troop 214 of San Tomas.

* * * *

Brownie Troop 354, El Quito Park School, took an interesting and most informative "Discovery Hike" at Villa Montalvo April 20. The Villa guide took the 20 girls and four adults through the trails and pointed out interesting nature points along the way. At the high point of the trail, the girls were able to see most of the Santa Clara Valley. Guest mothers, Mrs. Raby and Mrs. Shore, aided the troop leaders Mrs. Kenneth Till and Mrs. William Ravenelle on this trip to discover the wonders of our nature world.

* * * *

Scouting is both fun and rewarding--not only for girls---but interested adults also. If you are an interested adult, please feel free to call the Scout Office 248-7226, and they will see someone in your area contacts you to explain more about the scouting program. You need not be a mother--young marrieds and grandmothers make great leaders and helpers. There are many areas in scouting, other than leading, which are not time consuming and might be something in which you are already skilled.

We need you and perhaps you need us!

Social Security manager urges all over 65 sign for medicare

The few Campbell residents 65 and over who have not yet signed up for hospital insurance under Medicare fall into two general groups--those who do not understand that hospital insurance is available to those who have never worked under social security, and those who delay filing because they think they must wait until they retire.

John J. Cassidy, Social Security district manager in San Jose, reports that although nearly everyone reaching 65 before 1968 can have hospital insurance, some people who have not worked long enough under social security to receive cash benefits, and others who are still working, have not come in because they do not realize they are eligible.

Cassidy emphasized that people who may not have a social security card and may never have worked under the program are eligible and should come in and sign up.

Starting in 1968, those reaching 65 who are not eligible for cash social security benefits will need some credit for work under the law to qualify for hospital insurance. However, people born in 1902 or earlier do not require any coverage under social security to qualify for hospital insurance. If they haven't already applied, Cassidy suggests they do so without delay.

Similarly, people who are covered by social security, but not eligible for cash benefits because they are still working, can have hospital protection as soon as they reach 65.

Cassidy explained that Campbell residents who plan to continue working when they reach 65 should apply within the three months prior to the month in which they have their 65th birthday. By applying for social secity, they will be covered by hospital insurance and can make their decision on voluntary medical insurance coverage. Later on, when they retire or have reduced earnings which will permit payment of benefits, monthly checks can be started without delay.

The San Jose Social Security Office is located at 500 S. First St. Hours are from 8:30 a.m. to 4:30 p.m., Monday through Friday. In addition, the office remains open Thursday evening until 7:30 p.m.

Worst Catastrophe

NEW YORK—Hurricane Betsy, which ravaged Florida, Mississippi and Louisiana in September, 1965, was history's costliest insurance catastrophe, according to the Insurance Information Institute. It inflicted $715 million in insured property losses, more than doubling the previous record loss of $350 million in the San Francisco earthquake and fire of 1906.

LEGAL NOTICE

CAMPBELL UNION HIGH SCHOOL DISTRICT
Campbell California

NOTICE TO CONTRACTORS
CONSTRUCTION OF SWIMMING AND DIVING POOLS, BRANHAM HIGH SCHOOL

Notice is hereby given that the Board of Trustees of the Campbell Union High School District of Santa Clara County, California, hereby invites and will receive sealed proposals for the furnishing of all labor and materials for construction of Swimming and Diving Pools, Branham High School, Branham Lane at Dent Avenue, San Jose, California, for the CAMPBELL UNION HIGH SCHOOL DISTRICT, 1945 Winchester Boulevard, Campbell, California.

Written bids must be submitted not later than Friday May 5, 1967, 2:30 p.m. at the School District Office Annex, 1224 Del Mar Avenue, San Jose, California.

Work must be done in strict accordance with plans and specifications prepared by Birge M. Clark, Walter Stromquist, David F. Potter, and Joseph Ehrlich, Architects, 3200 Hanover Street, Palo Alto, California. Plans are obtainable at the architect's office. A deposit of $50.00 per set will be required from all contractors receiving plans, said deposit to be returned when plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect. No verbal, telegraphic, or telephonic bids or modifications thereof will be considered. No bidder may withdraw his bid for a period of forty-five days (45) after the time set for the opening thereof.

The Board reserves the right to reject any and all bids. The Board also reserves the right to waive any informality in any bid received.

Bidders desiring information or explanation concerning any portion of the work during the time of estimating may obtain the same by making application to the Architect with the provision that such requests for explanation shall be placed with the Architect at least seven days (7) before the date set for the submission of the bids.

No bids will be accepted from, or a contract awarded to, any party or firm in arrears to the District or who is a defaulter as surety, contractor, or otherwise. No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractors' License Act of the State of California.

Each bid must be accompanied by a certified check, cashier's check, or bidder's bond, made payable to the order of the Campbell Union High School District, in the amount of ten percent (10%) of the tendered bid as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board in accordance therewith and file the necessary bonds as called for in the specifications.

The work to be performed under this contract shall be substantially completed within the time limit as set forth in the Special Conditions of the specifications.

No alien shall be employed in the work. Workmen employed in the work must be paid not less than the latest prevailing scale of wages adopted by the Board of Supervisors of Santa Clara County and are as follows:

PREVAILING HOURLY WAGE RATE

Obituaries

MISS MAY FARLEY

Private funeral services were held today from Place Funeral Home in Los Gatos for Miss May Farley, 75, sister of Guy Farley of Campbell.

Miss Farley died in Santa Cruz where she had been living with a sister for the past six months. A native of San Jose, she was the daughter of the late Judge and Mrs. Judson Farley of Campbell.

She had been employed as a secretary to Laurance C. Hill, superintendent of the Campbell High School District, in the early 1950's, up to time of her retirement, after working for many years in the Campbell High school district.

In addition to her brother, she is also survived by two sisters, Mrs. Harry Lohr of Santa Cruz and Mrs. Anders Larsen of Carmel Valley. Inurnment was in Los Gatos Memorial Park.

Fire Department has busy week

Campbell Fire Department was commended by the owners of Dolphin Aquarium, located in Kirkwood Plaza, 1652 W. Campbell Ave., for their fast work in "cleaning up" a small flood in the tropical fish store.

The fire laddies arrived with their water vacuum machine and vacuumed up an overflow of water inadvertently left from a running hose. Approximately an inch of water covered the ozite carpeted floor, which suffered no serious damage.

The Fire Department also answered an unusual call from the Robert Pipers, 1849 Pollard Rd. Their horse had his hoof caught in the wire fence. Firemen rescued the horse by cutting the fence with wire cutters.

Westmont to hold Prom

Westmont High School's junior class will hold their third annual Junior Prom on Friday, April 28 in the school cafetorium.

The age of chivalry will be carried out in the decorations consisting of a coat of arms, a drawbridge, and beautiful courtyards. Barbara Hiller and Kendra Downing are in charge of the decorations.

"Fantasy of Love" is the theme for the dance and "The Coming Generation" will provide the music. Dan McSweeney is general chairman. Other committee members are Sue O'Hara, publicity and Sandy Snyder, bids.

RAIN DROPS

April rainfall this year so far has amounted to 3.85 inches, bringing the season total to 24.89 inches. Last year only .36 of an inch fell during the entire month of April.

Normal rainfall to date is 14.34 inches with 12.01 inches of rain being recorded in "dry" 1966.

Showers are forecast for the next week.

SERVICE NOTES

IN PHILIPPINES

Airman Brendal, an aircraft equipment repairman, previously served at Travis AFB, Calif.

A 1963 graduate of Campbell High School, the airman attended San Jose City College and West Valley College.

THE SAFE WAY, IS THE RIDGWAY WAY! Bill Ridgway, new owner of the Mobil Service Center, at Bascom and Hamilton, is shown rehearsing his "super-safe-spring-safety-servicing program" with manager, Rod Musgrove. Bill's "Safety Special" is advertised elsewhere in this paper, but his "individual service" is something which he will put into actual practice. "Three Men On Duty To Serve You" is his theme, and "Safety First for the Auto Driver" is his Motto! You are invited to drive in and try the Ridgway... way!".

Convention director to speak

Leonard G. Wymore, of Cincinatti, Ohio, convention director of the North American Christian Convention, will speak at the First Christian Church of Campbell next Monday night, May 1, at 7:30 p.m. He will also be the speaker for a rally Wednesday, May 3, to be hosted by the Green Valley Church of Christ, 390 Ridge Vista Ave., San Jose.

The North American Christian Convention is a "preaching convention" which annually draws a registration of about 25,000 members of Christian Churches and Churches of Christ in the United States. This year's convention will be held in Tampa, Florida. As director of this convention, Wymore will be responsible for overall arrangements.

On May 4, 5, and 6, he will be a guest resource leader at the 10th annual Santa Clara County Sunday School Convention at the Calvary Baptist Church in Los Gatos.

NEW YORK—Weekends are the most dangerous driving periods. In 1965, more than 40 per cent of all traffic accidents occurred on weekends, according to the Insurance Information Institute.

PTA News

CASTLEMONT

Santa Clara County District Attorney Louis Bergna will speak on the subject of "Child Molesting" when Castlemont School PTA meets Monday, May 1, at 7:30 p.m.

This program is the last of a series concerning vital social problems that the Castlemont parent-teacher group has presented this year. The subject of child molesting is extremely important this time of year as summer vacation nears and we tend to relax our supervision of our children during the busy summer months. Since this program is of wide concern, an open invitation is extended to all.

A brief business meeting will precede the District Attorney's remarks, during which time the new officers for the coming year will be installed by James D'Avis, Assistant Superintendent of Campbell Union School District. Those being installed are: President, Jack Gonzales; Vice-President, Mrs. Wayne Holton; Secretary, Mrs. Thomas Parnell; Treasurer, Robert Tabone; Historian, James Veteran.

Refreshments will be served at the conclusion of the program. Child care (no infants) will be provided without charge.

Castlemont School is located at 3040 East Payne Avenue, at the corner of Payne and Castlemont Avenues.

CAMPBELL HIGH

Campbell High School is holding its annual Public Schools Week Fair and PTA meeting on Wednesday, April 26, from 7 to 9 p.m. A fashion show will be presented by the Home Economics Department. Students will model the garments made in their clothing classes. Refreshments will be served.

There will be classroom exhibits and demstrations from 8 to 9 p.m.

BOHNETT SCHOOL

In observance of Public Schools Week, April 24-29 Bohnett School will hold Open House on Thursday evening, April 27. The classrooms will be open from 6:30 to 8:30 P.M. Parents are welcome to visit all the classrooms and get an overall view of the total school program.

In addition, the traditional spaghetti dinner will be served from 6:00 to 7:30 P.M. in the school cafetorium. Dinner for adults will be $1.00 and 50¢ for children. Mrs. Jane Jones Room Mother chairman, is in charge of the dinner, assisted by the room mothers and helpers.

Newly elected officers of the J. Bohnett Home and School Club for the following year are: President, Mrs. Gordon Gartz; Vice-President, Mrs. James Powell; Secretary, Mrs. Ronald Wormley; Treasurer, Mrs. Victor Owen.

Letters to the Editor

THANKS VOTERS TO THE PARENTS OF THE CAMPBELL UNION SCHOOL DISTRICT:

I wish to thank the many parents for their vote of confidence on my behalf on April 18th to be their representative on our School Board and to my campaign committee my sincere appreciation for contributing many many hours hours of work.

I entered this race because of my dedication to education of children and youth. My disappointment in losing was minute in comparison to the disappointment that only 16% of the registered voters were concerned with the importance of the position of a school board member.

It is appalling to know that 84% of our parents are either apathetic or uninformed of the fact that there is no more important public service than that of acting as a member of a board of education, and there is no public service whose proper transaction requires greater acumen, more patience and common sense, and greater devotion to a cause.

What the citizens of the next generation will be, the schools of today will largely determine, and what the schools are, boards of education chiefly determine. More money is spent in education, more people are employed in it, and more people are affected, either directly or indirectly, by it than is true of any other public undertaking and yet only 16% of our voters chose to exercise their privilege on April 18.

Let us hope that in future elections we, as a community will endeavor to show more interest and concern for our children and youth by voting, since true representation must have the majority of the people in their support.

Sincerely,
SARA FISCHER

CARNIVAL POSTER WINNERS.... These youngsters from Rosemary School are the winners of new American Flags presented by the Marine Corps in a recent poster contest heralding Rosemary Home and School Club's Red, White and Blue Carnival Saturday, April 29 from 11 to 4. Pictured (left to right) Barbara Sacks, Carey Cook, Pvt. Ray Knight, USMC, and Bill Cook.

Rosemary School slates carnival

Saturday, April 29 is the big day at Rosemary School when the Home and School Club will present its Red, White and Blue Carnival from 11 a.m. to 4 p.m. Food, fun, games, prizes and white elephants will be offered to the public and a great day is anticipated.

Mr. and Mrs. Don Harris and Mr. and Mrs. Jack Lee are co-chairmen of the carnival, with assistance from a large committee of Home and School Club members.

New American Flags were presented to the students designing winning posters advertising the carnival. They were Barbara Sacks 5th grade; Carey Cook, 4th grade, Bill Cook, 5th grade, and Lee Young, 4th grade. All others who entered the poster contest received free ice cream treats.

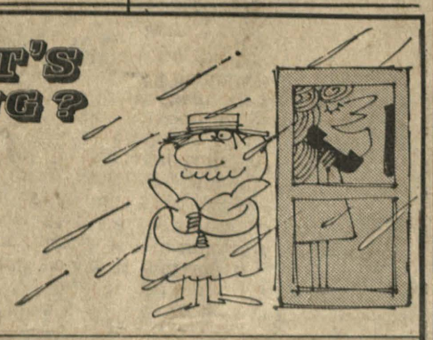
Fire Deaths By Age

NEW YORK—The highest death rate by fire is among persons 65 years of age and older, according to the Insurance Information Institute.



I'm happy to tell you that starting in April, we will list each of your multi-message unit calls to other Bay Area communities separately on your phone bill. With this service improvement, your bill will show when and where you called and give you other information much as it does for long distance calls.

We will also provide business phone users in the area with this new service as soon as we have the necessary facilities. For some of them, we will be able to start in April. For others, it will begin later.

Best of all, there will be no extra charge for this service.

I think you'll like the new service, and we're happy to bring it to you. If you have any questions, please call our Campbell Business Office, 288-9000.

INVEST-IN-AMERICA Council reminds us that our savings and investments mean money at work for greater economic growth.

. . .

Have you ever wondered what you could do about "pushy" sales calls? Well, when one of these "over-eager-beavers" calls you at an inconvenient time; won't take "no" for an answer; or gives you a sales pitch that sounds deceptive or unbelievable...firmly refuse the offer and hang up.

Of course, most people who sell by phone do so courteously and considerately, offering honest values you may well be interested in. And we give any business which is interested free information about good telephone selling. We ask that they make sales calls only to bona fide prospects and that they identify themselves clearly and approach you honestly.

So, if you're ever bothered by a rude sales call refuse the caller your time and attention and just hang up. You don't have to listen to the message. And the caller will certainly get yours.
